Dear Reader!

Having published a handful of previous eBooks which are all related to the vegan or plant-based diet and having an ongoing presence at my [Vegan Blogger](#) Facebook page as well as at my [VeganBlogger.com](#) website, I feel like I am fairly known in the community and that our paths might have already cross. If that is not the case, though, allow me a few moments to introduce myself.

My name is [Hanna Getty](#) and I am very pleased to make your acquaintance. I also thank you very sincerely for acquiring my most recently published book — ***Hanna's Quick & Easy Vegan Cookbook***.

If you are looking to be challenged with complexity in the kitchen and if you enjoy laboring over a hot stove for hours at a time, this is not the book for you.

However, if you are seeking a cookbook that contains recipes that are quick and easy and produce dishes that are healthy and delicious, you've made the right choice and I appreciate the fact that you trust me enough to deliver.

Having been vegan for over four decades, I have long discovered that nutritious plant-based foods need not be boring or tasteless. I have also discovered that preparing animal-free meals does not have to be labor intensive or overly time consuming. This and all my other books are summations of my personal experiences in and out of the vegan kitchen and the highlights of my findings in the plant-based culinary world.

One caveat before I bring this letter to a close — ***Hanna's Quick & Easy Vegan Cookbook*** as well as my other books ([Vegan Diet & Animal-Free Lifestyle - A Journey Into Veganism](#), [Smoothie Recipes For Weight Loss: The Daily Diet, Cleanse & Green Smoothie Detox Book](#) and [Hanna's Vegan Desserts Cookbook](#)) are perfectly suited for everyone and anyone who is looking for healthy, mouthwatering foods that don't require a culinary degree, whether they are vegan or otherwise.

And one more thing before I let you go — please have fun with it!

To your health and wellbeing!

Acknowledgements

Someone very wise once advised me to always follow my passions and to relentlessly pursue my dreams and that is exactly what I have been doing.

I spend a great deal of my time in the confines of my vegan kitchen, creating exciting new plant-based dishes, documenting the proceedings which I then transform into the books I happily share with all those who are interested in the healthy, delicious animal-free diet.

I am able to do all that thanks to the generosity and benevolence of my sponsor who tirelessly stands behind my vegan endeavors.

Likewise, I am eternally thankful to my readers without whom my efforts would be utterly pointless.

Author's Final Statement

Chapter 1: Introducing Hanna's Quick & Easy Vegan Cookbook

You are probably at the moment wondering what it is that I mean by “quick & easy ...” and I can't say that I blame you. As a matter of fact, if I were in your shoes, I would be asking what is “quick”? How much time is “quick” considered to be? I would also be questioning “easy”. “Easy” how? “Easy” for whom?

Well, here are my criteria for dubbing this cookbook of recipes as “quick & easy”: - If preparing a particular dish takes under an hour of ACTUAL work although downtime such as baking, freezing, soaking, chilling or dehydrating may require a much long time, I still consider it to be “quick”. Why? Because you could be doing a thousand other unrelated things while waiting for the downtime to pass.

However, please be assured that the great majority of the recipes within this book require but very short periods of downtime or none at all.

- If the instructions of a particular dish are clearly stated and if the step-by-step directives are uncomplicated enough for the average cook to follow, I consider that to be “easy”.

All my instructions are explicit and precise. There will never be a need to second guess anything related to the advised methods or the suggested kitchen equipment to be used. If you can read and are tall enough to reach the kitchen counter, you can follow everyone of my recipes without any difficulties.

Thus, all 50 of the recipes within this book are indeed “quick & easy”.

In naming this book, I've also claimed that the 50 quick and easy recipes are “all healthy & delightfully delicious.” If you are skeptic about the truthfulness of my assertion, please allow me to put your skepticism to rest by stating the following:

- All my recipes call for natural ingredients that are plant-based, pure and organic. With no animal products or byproducts involved, all the fats are unsaturated and cholesterol-free while all the carbohydrates are complex and rich in dietary fiber, essential vitamins and vital minerals.

Furthermore, the caloric value of each and every recipe in this book is by far much lower than its conventional non-vegan counterpart that may include dairy, eggs, meat, refined grains and/or bleached sugars.

If that is not healthy, I don't know what is!

- I have tested out each one of the 50 recipes on fellow vegans as well as vegetarians and meat-eaters of all ages. The verdict was unanimous, "These are delicious."

Need I say more? The recipes in this book result in foods which are good for you while they simultaneously delight your senses.

Oh, I almost forgot to mention something very important. I organized ***Hanna's Quick & Easy Vegan Cookbook*** in accordance with conventional meals such as breakfast, lunch, dinner, snacks and party times with each one being included in a separate chapter. However, I want you to realize that due to the fact that all the recipes within each chapter are plant-based, every one of the dishes can easily and quite appropriately be prepared for any meal or occasion. In other words, recipes listed here among breakfast items can be made for lunch or dinner, recipes listed among lunch items can be cooked for breakfast and dinner and recipes listed among dinner items can be put together for lunch and breakfast. Likewise, snacks can be made up for parties and vice versa. I encourage you to put on our thinking caps, get into your creative moods and have fun mixing and matching.

OK, let us begin! Wash your hands put on an apron and start cooking.

Chapter 2: Quick & Easy Breakfast Recipes

Too many people have a tendency to skip breakfast because they are, either, too busy and harried or they are attempting to lose weight. Whichever the case may be, leaving breakfast off daily menus is a grave mistake because research has shown, time and time again, that breakfast is the most important meal of the day.

So, please enjoy a daily breakfast with my yummy **Quick & Easy Breakfast Recipes** and ensure great starting points of very good days.

Eggless French Toast

Traditional French toast recipes require eggs, the more the better. Well, guess what! This French toast tastes even better without the eggs.

Batter Ingredients:

4 Tablespoons Soy or Spelt Flour

4 Tablespoons Organic Sesame Tahini

1/2 Cup Filtered Water

1 Teaspoon Pure Maple Syrup

1 Pinch Sea Salt

Toast Ingredients:

6 Slices 100% Whole Grain Bread

You Will Also Need:

- 1 Medium Size Mixing Bowl
- 1 Whisk
- 1 Medium Size Skillet
- 1 Canola Oil Spray

Instructions:

1. Place all the batter ingredients in a medium size mixing bowl and whisk briskly until you obtain a smooth and creamy batter.
2. Dunk the bread slices into the batter and soak them thoroughly on both sides.
3. Lightly coat a skillet with oil spray and set over medium heat.
4. Transfer the soaked bread slices into the skillet and sauté until they become brown on both sides.
5. Serve warm.

Homespun Hot Multi-Grain Cereal

There is nothing like a breakfast of hot cereal to fortify you for the rest of the day and there is nothing like one which you've made in your very own kitchen.

Multi-Grain Cereal Ingredients:

1/2 Cup Amaranth
1/2 Cup Whole Barley
1/2 Cup Brown Rice
1/2 Cup Buckwheat Flakes
1/2 Cup Millet
1/2 Cup Oats
1/2 Cup Rye Flakes
1/2 Cup Whole Wheat Flakes

Hot Breakfast Cereal Ingredients:

1 Cup Filtered Water

1/3 Cup Multi-Grain Cereal

1/4 Teaspoon Sea Salt

Hot Breakfast Cereal Topping Ingredients:

1/4 Cup Fresh Berries (Strawberries, Blueberries, raspberries, blackberries, etc.)

1/2 Tablespoon Organic Turbinado Sugar

1/4 Teaspoon Ground Cinnamon

1/2 Teaspoon Flax Seed Powder

You Will Also Need:

- 1 Large Size Skillet
- 1 Wooden Spoon
- 1 Food Processor
- 1 Large Size Freezer-Safe Airtight Container
- 1 Medium Size Saucepan
- 1 Medium Size Serving Dish

Instructions:

1. Combine the brown rice and whole barley in a large skillet.
2. While frequently stirring with a wooden spoon, set the skillet over medium heat and toast for about 10 minutes or until the mixture emits a savory odor.
3. Add the remaining ingredients and, while continually stirring, toast for another 5 minutes.
4. Remove from the heat source and allow the grain mixture to cool down.
5. Pour the grain mixture into a food processor and allow it to be crushed to a grainy consistency.
6. Pour the coarse mixture into a freezer-safe airtight container and store in the refrigerator or freezer for later use.
7. When ready to prepare for your next breakfast, bring the water to a rapid boil in a medium size saucepan.
8. Stir in the multi-grain cereal and sea salt.

9. Bring to a second rapid boil for about 30 seconds while continually stirring.
10. Reduce the heat to low, cover the saucepan and allow the cereal to simmer for about 10 more minutes.
11. Pour cereal into a serving dish and top it with one or more of the topping ingredients.
12. Serve while the cereal is still hot.

Scrambled Veggie Tofu

Very closely resembling scrambled eggs, this veggie tofu scramble makes a perfect breakfast, especially when served with potatoes or brown rice. It is also terrific as a breakfast sandwich rolled in a whole wheat tortilla, stuffed inside a whole wheat pita bread pocket or piled on top of a whole wheat toast.

Ingredients:

1 Small Size Organic White Onions

1/2 Medium Size Organic Green Bell Peppers

1 Cup Cubed or Chopped Fresh Veggies (celery, carrots, cauliflower, broccoli, red cabbage, corn kernels, mushrooms, green beans, zucchini) 1 Tablespoon

Filtered Water

1 Teaspoon Soy Sauce

8 Ounces Firm Tofu

1/2 Teaspoon Turmeric Powder

1/4 Teaspoon Sea Salt

1/8 Teaspoon Ground Black Pepper

You Will Also Need:

- 1 Cutting Board
- 1 Sharp Knife
- 1 Medium Size Skillet with Cover
- 1 Metal Fork
- 1 Potato Masher

Instructions:

1. Peel and chop the onion.
2. Core and dice the green pepper.
3. Cube or dice the fresh veggies.
4. Drop all the vegetables, water and soy sauce into a skillet and set over medium heat.
5. When it begins to sizzle, reduce the heat to low.
6. Cover the skillet and, stirring occasionally, cook for about 12 minutes or until all the veggies are tender when pierced with a fork.
7. Add the tofu to the vegetables in the skillet and, using a potato masher, crush it into course lumps.
8. Sprinkle the turmeric powder over the entire scramble and combine thoroughly.
9. Raise the heat to medium and stirring while cooking until the tofu heats up sufficiently.
10. Remove from the heat source, season with the salt and pepper.
11. Serve yourself and a loved one.

Crispy Vegan Hash Browns

These crispy vegan hash brown potatoes are so delicious, that once you've tasted them you will never be able to tolerate any other kind.

Hash Brown Ingredients:

1 Large Size White Potato

1/2 Teaspoon Sea Salt

1/2 Cup Canola Oil

1/4 Cup Shredded Daiya Cheese (choose your own flavor)

Topping Ingredients:

- 1 Bottle Ketchup, Mustard and/or Hot Sauce

You Will Also Need:

- 1 Stainless Steel Grater
- 1 Flat Working Surface
- 1 Kitchen Terry Cloth Kitchen Towel
- 1 Roll Paper Towels
- 1 Medium Size Skillet with Lid
- 1 Metal Spatula

Instructions:

1. Pour the canola oil into a medium size skillet and set over medium-high heat.
2. Spread a terry cloth kitchen towel on a flat working surface and two layers of paper towels on top of it.
3. Peel the potato and shred it in a coarse grater.
4. Evenly spread out the shredded potato on top of the paper towels and cover them with another double layer of paper towels.
5. Grab an edge of the terry cloth kitchen towel and roll it up tightly along with all its contents.
6. Take the roll between both of your hands and squeeze as hard as you can.
7. Unroll the towel and its contents and sprinkle evenly with sea salt.
8. Immediately transfer the salted shredded potato into the skillet and spread it out evenly.
9. Reduce the heat to medium-low and, using the back of a metal spatula, press the shredded potato against the bottom of the skillet.

10. While occasionally pressing them down, allow the caked potato shreds to cook undisturbed until they have turned brown on the bottom side.
11. Using the metal spatula very carefully, turn the caked potato shreds over.
12. Sprinkle with Daiya cheese, turn the heat down to low, cover the skillet and cook for another 3 or 4 minutes.
13. Lift one corner to ensure that the caked potato shreds have browned on the bottom side.
14. To soak up excess oil, slide the caked hash brown potatoes onto a double layer of paper towels.
15. While still hot, slice into wedges and serve with ketchup, hot sauce and/or mustard.

- 1 Medium Size Non-Stick Frying Pan
- 1 Medium Size Mixing Bowl
- 1 Large Size Mixing Bowl
- 1 Whisk
- 1 Wooden Spoon
- 1 Medium Size Ladle
- 1 Metal Spatula
- 1 Serving Platter

Instructions:

1. Set a medium size non-stick frying pan over medium-high heat.
2. Combine all the wet ingredients in a medium size bowl and whisk them thoroughly.
3. Combine all the dry ingredients in a large bowl and mix thoroughly with a wooden spoon.
4. Pour the wet mixture into the dry mixture and, using the wooden spoon, mix until you obtain a velvety smooth batter.
5. Lower the heat under the frying pan to medium.
6. Scoop up a ladleful of batter and pour it into the frying pan.
7. When the pancake begins to form bubbles, flip it over with a metal spatula.
8. When the pancake begins to bubble again on its flipped side, transfer the pancake onto a serving platter.
9. Repeat #6 through #8 until all the batter has been used up.
10. Top with a teaspoonful of vegan margarine or butter plus maple syrup to taste.
11. Serve while pancakes are still hot.

Buckwheat Porridge in the Raw

Believe me! The three little bears had never tasted porridge that is nearly this good.

Porridge Ingredients:

2 Cups Raw Buckwheat Grouts

4 Cups Tap Water

1 1/2 Cups Vanilla Flavored Soy or Almond Milk

2 Teaspoons Chia Seeds

4 Tablespoon Agave Nectar or Maple Syrup

1 Pinch Sea Salt

1 Teaspoon Pure Vanilla Extract (non-alcoholic)

1 Teaspoon Cinnamon Powder

Topping Ingredients:

1/2 Cup Assorted Fresh Fruits (chopped)
1/4 Cup Raisins
1/4 Cup Assorted Raw Nuts (chopped)

You Will Also Need:

- 2 Medium Size Mixing Bowl
- 1 Medium Size Sieve
- 1 Food Processor
- 1 Rubber Spatula
- 4 1-Cup Serving Dishes
- 1 Wooden Spoon

Instructions:

1. Pour the raw buckwheat grouts into a medium size mixing bowl, add the water and set aside to soak overnight.
2. Drain the water from the grouts and rinse themn thoroughly with running tap water.
3. Transfer the grouts into a food processor.
4. Add the milk, chia seeds and vanilla extract, and blend until the mixture becomes semi smooth.
5. Add the sweetener, salt and the cinnamon and continue blending for a few more seconds.
6. Using a rubber spatula, scoop the mixture into four 1-cup serving dishes.
7. Throw all the topping ingredients into a medium size bowl and mix thoroughly with a wooden spoon.
8. Portion out the topping mixture evenly over the porridge that's in the four dishes and serve.

All Vegan Egg Omelet

What? Vegan egg omelet? Is that possible? Yes it is and it's filled with all round goodness without any eggs.

Omelet Ingredients:

- 6 Ounces Extra Firm Tofu
- 1 Tablespoon Unflavored Organic Soymilk
- 1 Tablespoon Nutritional Yeast
- 1 Tablespoon Potato Starch

1 Teaspoon Organic Tahini

1/8 Teaspoon Onion Powder

1/8 Teaspoon Turmeric

1/4 Teaspoon Sea Salt

1/8 Teaspoon Chipotle Pepper Powder

Filling Ingredients:

1 Fresh Green Onion (chopped)

10 Fresh Spinach Leaves

5 Medium Size White Mushrooms (slivered thin)

You Will Also Need:

- 1 High Speed Blender
- 1 Medium Size Non-Stick Skillet with Cover
- 1 Olive Oil Spray
- 1 Metal Spatula
- 1 Serving Plate

Instructions:

1. Throw in all the omelet ingredients into a blender and blend to a smooth batter mixture.
2. Coat a skillet with olive oil spray and heat it at medium-high temperature.
3. When the oil is very hot, pour the batter into the center of the skillet.
4. Using a metal spatula, spread out and smooth the batter to roughly 8 inches in diameter.
5. Ensuring that all the filling ingredients are completely dry, arrange them on top of the omelet and lower the heat to medium-low.
6. Cover the skillet and continue cooking for about 4 minutes or until its edges and center have dried.
7. Using the spatula, lift up an edge to verify that the omelet is solid and that it is spotted golden brown.
8. Using the spatula, loosen it within the skillet and fold it in half over its filling.
9. Continue cooking for another minute and then slide it onto a serving plate.
10. Enjoy your omelet but if you want to share your breakfast with others, prepare a separate omelet for each person.

Breakfast Muffins Vegan Style

These vegan muffins are the smart way to start any day with plenty of great taste and tons of healthy nutrients.

Dry Ingredients:

3 3/4 Cups Organic Whole Wheat Flour

1 Cup Organic Raw Cane Sugar

2 Teaspoons Baking Powder

Wet Ingredients:

1/2 Cup Vegan Butter (melted)
1 3/4 Cups Almond Milk (warmed)
1/2 Teaspoon Pure Vanilla Extract

Additional Ingredients:

1 Cup Frozen Unsweetened Berry Medley (thawed)
1/4 Cup Raw Almonds (slivered)

You Will Also Need:

- 1 Large Size Mixing Bowl
- 1 Small Size Microwave-Safe Mixing Bowl
- 1 Whisk
- 1 Cupcake Tin
- 1 Package Cupcake Liners
- 1 Wooden Toothpick

Instructions:

1. Preheat oven to 400 degrees Fahrenheit.
2. Combine all the dry ingredients in a large bowl and, using a whisk, mix until you obtain a lump-free mixture.
3. Place the vegan butter in a small, microwave-safe bowl and microwave for about 1 minute or until the butter melts completely.
4. Remove from the microwave and whisk in the rest of the wet ingredients.
5. While continually whisking, gradually pour the wet ingredient mixture into the large bowl with the dry ingredients.
6. Whisk only long enough to obtain a smooth batter, then stop.
7. Fold in the additional ingredients.
8. Arrange the liners in a cupcake tin and fill them to the top with the muffin

batter.

9. Bake for 25 to 30 minutes or until an inserted toothpick emerges clean.

- 1 Medium Size Mixing Bowl
- 1 Large Size Mixing Bowl
- 1 Whisk
- 1 Large Size Skillet
- 1 Wooden Spoon
- 1 Can Canola Oil Spray
- 1 Large Size Ladle
- 1 Large Size Serving Platter

Instructions:

1. Preheat a waffle iron.
2. Pour the soy milk with the apple cider vinegar and vanilla extract into a medium size bowl and whisk thoroughly.
3. Pour the water and golden flax meal into a small bowl, whisk thoroughly and allow to rest for approximately ten minutes.
4. Pour the cornmeal into a large skillet.
5. Set over low heat and, while continually stirring with a wooden spoon, allow it to toast for about 10 minutes or until the cornmeal turns golden brown.
6. Combine all the dry ingredients in a large mixing bowl.
7. Add in the soy milk and flax meal mixtures as well as the melted vegan butter.
8. Using a wooden spoon, mix everything thoroughly.
9. Generously coat the hot waffle iron with the canola oil spray.
10. With the help of a ladle, scoop up the waffle batter and pour onto the waffle iron covering 3/4 of its surface.

11. Cook for about 5 minutes or until the waffles turn golden brown.
12. Transfer the waffles onto a serving platter.
13. Repeat #10, #11 and #12 until you've used up all the batter to form 6 delicious waffles.
14. Top the waffles with fresh berries and maple syrup and serve warm.

Chapter 3: Quick & Easy Lunch Recipes

While breakfast is the most important meal of the day, I think that lunch is the most fun. Why? Because it comes in the middle of the day and that is usually the time when we aren't yet totally exhausted from too much work and too many stressful responsibilities.

Needless to say, I love my lunchtimes and with the following **Quick & Easy Lunch Recipes** at your finger tips, I suspect that you will too.

Animal-Free Green Ham & Eggs

No, you have not misread the name of this dish because it is indeed animal-free yet it's the perfect vegan substitute for ham and eggs.

Ingredients:

1 Package Extra Firm Tofu

1 Tablespoon Nutritional Yeast

3 Tablespoons Whole Wheat Flour

1/8 Teaspoon Sea Salt

1/8 Teaspoon Ground Black Pepper

1 1/2 Tablespoons Canola Oil

4 Slices Whole Wheat Bread

1 Container Vegan Mayonnaise

1 Medium Size Ripe Avocado

1 Package Cheddar Flavored Daiya Vegan Cheese

You Will Also Need:

- 1 Medium Size Mixing Bowl
- 1 Cutting Knife
- 1 Medium Size Frying Pan
- 1 Metal Spatula
- 1 Microwave-Safe Dish
- 1 Serving Platter
- 1 Metal Tablespoon

Instructions:

1. In a medium size bowl, thoroughly combine the nutritional yeast with the flour, salt and pepper.
2. Completely drain the water out of the tofu.
3. With the help of a sharp knife, cut the tofu into 1/4" slices and dunk them into the nutritional yeast mixture until both sides are coated.
4. Pour the oil into a frying pan and set over medium-high heat.
5. Transfer the coated tofu slices into the hot oil.
6. Fry the tofu slices for about 5 minutes or until they've turned golden brown.
7. Using a metal spatula, flip the tofu slices over and fry until golden brown on the other side as well.
8. Remove from heat source and place on a microwave-safe dish.
9. Sprinkle a generous amount of Daiya cheese and microwave for about 25 seconds or until it has begun to slightly melt.
10. Toast the bread and slice the avocado.
11. Transfer the toasted bread onto a serving platter.
12. Top the bread with tofu slices, avocado slivers and a scoop of vegan

mayonnaise.

13. Enjoy your green ham and eggs.

Black Bean & Corn Salad

This Southwestern style black bean & corn salad is filled with just the right amount of spice and tang. I love it and so will you.

Ingredients:

3 Large Size Ears of Organic Corn

1/3 Cup Raw Pine Nuts

1/4 Cup Freshly Squeezed Organic Lime Juice

2 Tablespoons Extra Virgin Olive Oil

1/4 Cup Fresh Cilantro

1/2 Teaspoon Sea Salt

1/4 Teaspoon Freshly Ground Black Pepper

2 Cups Organic Red Cabbage

1 Large Size Fresh Organic Tomato

1/2 Cup Fresh Organic Red Onion

2 15-Ounce Cans Black Beans

You Will Also Need:

- 1 Dutch Oven
- 1 Sharp Cutting Knife
- 1 Cutting Board
- 1 Medium Size Mixing Bowl
- 1 Large Size Mixing Bowl
- 1 Large Size Skillet
- 1 Wooden Spoon
- 1 Whisk
- 1 Pack Plastic Wrap

Instructions:

1. Fill a Dutch oven with one inch of tap water and bring it to a rapid boil.
2. Add the ears of corn, cover the Dutch oven and cook for about 3 minutes or until the corn is tender.
3. Remove the corn from the oven and allow them to cool.
4. Using a sharp cutting knife over a large bowl, husk the kernels off their ears.
5. Pour the pine nuts into a skillet and set it over medium-low heat.
6. While stirring continually with a wooden spoon, toast the pine nuts for about 3 minutes or until they become slightly brown and emit a nutty fragrance.
7. Using a sharp knife and a cutting board, chop the fresh cilantro into fine bits.
8. Place the cilantro into a large bowl and add the lime juice, olive oil, salt and pepper.
9. Thoroughly whisk the contents within the large bowl.
10. Using a sharp knife and a cutting board, shred the red cabbage, dice the tomato and mince the onion.
11. Add the cabbage, tomato and onion to the mixture within the large bowl.

12. Drain and rinse the beans and add to the large bowl.
13. Using a wooden spoon, toss all the ingredients within the large bowl and cover it with plastic wrap.
14. Store in the refrigerator for about 30 minutes and then serve.

2 Tablespoons Pure Maple Syrup

Topping Ingredients:

1/3 Cup Raw Pecan Nuts (chopped)

2 Tablespoons Vegan Butter

2 Tablespoon Spelt Flour

1/4 Cup Turbinado Sugar

Your Will Also Need:

- 1 Medium Size Saucepan
- 1 Metal Fork
- 1 Medium Size Mixing Bowl
- 1 Whisk
- 1 Wooden Spoon
- 1 Potato Masher
- 1 8" Casserole Dish

Instructions:

1. Preheat Oven to 350 degrees Fahrenheit.
2. In a medium size saucepan, bring 2 cups of water to a rapid boil and toss in the chopped yam pieces.
3. Cook over medium heat for approximately 5 minutes or until the yams feel tender when pierced with a fork.
4. Remove the saucepan from the heat source, drain out all the water and transfer the yams to a medium size mixing bowl.
5. Rinse out the saucepan and fill it with the oats, milk and chia seeds.
6. Thoroughly whisk the contents of the saucepan and set over medium-high heat to rapidly boil.
7. Decrease the heat to low and continue cooking for about 6 minutes while frequently stirring with a wooden spoon.
8. Remove the saucepan from the heat source, add in the yam pieces and the banana.
9. Using a potato masher, mash and combine all the ingredients within the saucepan to a slightly chunky mixture.
10. Add in the rest of the casserole ingredients and set over low heat to cook for about 3 minutes while continually stirring.

11. Using the medium size mixing bowl, thoroughly combine all the topping ingredients.
12. Pour the mixture from the saucepan into the casserole dish and smooth it out evenly.
13. Sprinkle the topping mixture over the casserole and baked for 20 minutes.
14. Switch your oven to a low broiler setting and broil for two minutes.
15. Remove from the oven, cut into three or four rectangles and serve hot or cold.

After all, this is that special time at the end of the day when the whole family, mom and dad and kids, gets to sit down and dine together while talking about their day.

To me, dinner is intimate family time which deserves to be celebrated with extraordinary foods. The following **Quick & Easy Dinner Recipes** are just that, extraordinary.

French Onion Soup

No Parisian would hesitate to call this animal-free French onion soup délicieux or exquis. Likewise, you will most certainly dub it deliciously exquisite or exquisitely delicious!

Soup Ingredients:

2 Pounds Yellow Onions

2 Cloves Large Garlic Cloves (peeled & diced)

2 Tablespoons Extra Virgin Olive Oil

1 1/2 Tablespoons Pure Maple Syrup

1/2 Teaspoon Sea Salt

1/8 Teaspoon Ground Black Pepper

1 Teaspoon Ground Coriander

8 Cups Low-Sodium Vegan Vegetable Broth

Thickening Ingredients:

1/4 Cup Extra Virgin Olive Oil

1/3 Cup Whole Wheat Flour

Garnishing Ingredients:

8 Slices Whole Wheat Bread

You Will Also Need:

- 1 Large Cutting Board
- 1 Sharp Cutting Knife
- 1 Large Size Stock Pot with Cover
- 1 Wooden Spoon
- 1 Small Size Frying Pan

Instructions:

1. Peel the onions and slice them widthwise to create very thin rings.
2. Pour the 2 tablespoons of olive oil into a stock pot and set over medium-low heat.
3. Add the onion rings and, stirring frequently with a wooden spoon, cook for about 8 to 10 minutes or until the onions lose their crispness.
4. While constantly stirring, add the maple syrup, salt and pepper and continue cooking for another 20 minutes or until the onions become golden.
5. Add the garlic, coriander and vegetable broth.
6. Increase the heat to high and bring to a rapid boil.
7. Lower the heat again and then simmer for another 30 minutes with the pot covered.
8. During the last 10 minutes of the soup's simmering time, pour the oil from the thickening ingredients into a small frying pan and set over medium-low heat.
9. When the oil becomes sizzling hot but not burnt, add the flour and stir continually for about 10 minutes or until the flour turns dark brown and emits a nutty aroma.
10. Add the flour mixture to the soup, stir well and continue cooking for another 5 minutes.
11. Cut the bread slices to 1" cubes and allow a few to float on top of the soup of

each of the 6 to 8 serving.

Chapter 5: Quick & Easy Snack Recipes

I fully understand people who avoid snacks because they are on weight loss diets and are attempting to reduce their caloric intakes. I also understand people who turn down snacks because they fear losing their appetites for upcoming meals. However, I do not and cannot ever understand those who claim not to like snacks.

The flavors, textures, colors, shapes and smells of snack foods are so widely varied that everyone and anyone can, if they choose to, find a snack with which they could easily fall in love.

I, for one, have fallen in love with many snack foods and I am about to introduce some of them to you right here in this chapter on **Quick & Easy Snack Recipes**.

Tofu-Free Carob Pudding

Luxurious but not decadent, this tofu-free carob pudding will blow you away and it requires merely 10 short minutes for preparation.

Ingredients:

4 Medium Size Ripe Avocados (pitted & scooped)
1/3 Cup Almond Milk
2/3 Cup Pure Maple Syrup
1 Teaspoon Creamy Peanut Butter

1 Teaspoon Arrowroot Powder

1/4 Teaspoon Kosher Salt

1 Teaspoon Pure Vanilla Extract

1/4 Cup Raw & Unsweetened Carob Powder (sifted)

1 Cup Vegan Carob Chips (melted)

You Will Also Need:

- 1 Food Processor
- 1 Medium Size Microwavable Bowl
- 1 Rubber Spatula
- 2 3/4 Cup Serving Dishes

Instructions:

1. Leaving out the carob chips, combine all the ingredients in a food processor and let it run until you obtain a smooth mixture.
2. Place the carob chips in a microwavable bowl and melt them in your microwave.
3. Add the melted carob chips to the mixture inside the food processor and let it run long enough to form a velvety creamy pudding.
4. Using a rubber spatula, divide the pudding into 2 serving dishes, place in the refrigerator for about 30 minutes and serve.

Whole Grain Wheat Thins

Perfect for scooping up dips, these whole grain wheat thins are deliciously crisp and chewy while delivering healthy alternatives to snacking.

Dry Ingredients:

1 1/4 Cups Whole Wheat Flour
1 1/2 Tablespoons Raw Organic Cane Sugar
1/2 Teaspoon Sea Salt
1/4 Teaspoon Paprika

Wet Ingredients:

4 Tablespoons Vegan Butter

6 Tablespoons Filtered Water

1/4 Teaspoon Pure Vanilla Extract

Topping Ingredients:

2 Tablespoons Sea Salt

3 Tablespoons Toasted Sesame Seeds

You Will Also Need:

- 2 Baking Sheets
- 1 Pack Parchment Paper
- 1 Large Size Mixing Bowl
- 1 Medium Size Mixing Bowl
- 1 Small Size Mixing Bowl
- 1 Whisk
- 2 Metal Forks
- 1 Well Floured Working Surface
- 1 Roll Pin
- 1 Pizza Cutter
- 1 Metal Spatula
- 2 Cooling Racks
- 1 Airtight Container

Instructions:

1. Preheat oven to 400 degrees Fahrenheit.
2. Line 2 baking sheets with parchment paper.
3. Place all the dry ingredients into a large mixing bowl and whisk them thoroughly.
4. Add the vegan butter into the flour mixture and, using 2 metal forks, break it up until it crumbles.
5. Pour the water into a medium bowl and mix it thoroughly with the vanilla extract.
6. Pour the water mixture into the flour mixture and, using your hands, fold the two mixtures together until they form a smooth dough.
7. Divide the dough into two even portions and place one of them onto a flat working surface.
8. Using a roll pin, roll the dough to an even 1/16" thickness.

9. Use a pizza cutter to cut rectangular shapes out of the extra thin dough.
10. With the help of a spatula, carefully lift each wheat thin off the working surface and transfer it to a baking sheet.
11. Repeat #8 through #10 until both baking sheets are filled with wheat thins.
12. Combine the topping ingredients in a small mixing bowl and sprinkle the mixture over the wheat thins.
13. Transfer both baking sheets into the oven and bake for 4 minutes.
14. Rotate the sheets and continue to bake for another 4 minutes.
15. Remove the baking sheets from the oven and set them over cooling racks.
16. Store the wheat thins in an airtight container.

Do-It Yourself Vegan Caramel Apples

An apple a day keeps the doctor away and a caramel apple satisfies the sweet tooth like nothing else can.

Apple Ingredients:

3 Cups Ice Water

6 Small Size Organic Sweet Apples

Caramel Ingredients:

1/4 Cup Unflavored Soy Half and Half Creamer

1/2 Cup Plain Unflavored Soy Yogurt

1 Cup Organic Raw Cane Sugar

1/4 Cup Pure Organic Maple Syrup

1 Tablespoon Vegan Butter

You Will Also Need:

- 1 Small Size Saucepan
- 1 Wooden Spoon
- 1 Medium Size Shallow Dish
- 6 Wooden Sticks
- 1 Medium Size Baking Sheet
- 1 Sheet Parchment Paper

Instructions:

1. Pour the ice water into a shallow pan.
2. Remove the stem off each apple and insert a stick in its stead.
3. Line a baking sheet with parchment paper.
4. Pour the soy half and half creamer into a small saucepan and add the soy yogurt, the sugar and the maple syrup.
5. Set the saucepan and its contents over medium-high heat and stir with a wooden spoon until the sugar dissolves completely.
6. Stop stirring but continue cooking for 10 minutes.
7. Add the vegan butter and stir vigorously until it melts completely.
8. Remove the saucepan from the heat source and set it immediately into the ice water.
9. Working as rapidly as you can, hold an apple by its inserted stick and dip it into the caramel.
10. You might need to use a spoon to ensure that the apple is completely coated.
11. Transfer the caramel apple onto the parchment paper that's lining a baking sheet.
12. Repeat #9 through #11 until all 6 apples are done.
13. Store the baking sheet and its contents in the refrigerator for about 30

minutes or until the caramel has hardened completely.

- 1 Metal Spatula
- 1 Cooling Rack

Instructions:

1. Preheat oven to 325 degrees Fahrenheit.
2. Line a baking sheet with a sheet of parchment paper.
3. Pour all the seeds into a large bowl and, using a wooden spoon, mix them up thoroughly.
4. Grate the garlic and onion to extra fine bits.
5. Pour the water into a small bowl, add the grated garlic and onion and whisk thoroughly.
6. Pour the water mixture into the large bowl containing the seeds and stir with a wooden spoon until it is all combined thoroughly.
7. Add the salt and pepper.
8. Transfer the mixture onto the baking sheet that you already covered with parchment paper.
9. Using the back of the wooden spoon, evenly spread out the cracker mixture to a thickness of about 1/8 inch.
10. Transfer the baking sheet and its contents into the oven and bake for 30

minutes.

11. Remove the baking sheet and its contents from the oven and, using a sharp cutting knife, cut about 22 large crackers.
12. Using a spatula very carefully, flip each cracker over within the baking sheet.
13. Transfer the baking sheet and the crackers back into the oven and continue baking for another 25 or 30 minutes.
14. When the crackers turn golden brown, remove their baking sheet from the oven and set it on a cooling rack.
15. When the crackers have completely cooled, they are ready to be served or to be stored in an airtight container.

4. Transfer the bread and cashew mixture to a large bowl.
5. Leaving out the olive oil, throw all the remaining ingredients into the food processor and blend them to a creamy mixture.
6. Transfer the creamy mixture from the food processor to the large bowl containing the bread and cashew mix.
7. Using a wooden spoon, mix everything within the large bowl thoroughly while drizzling in the olive oil.
8. Coat a large ceramic baking dish with oil spray.
9. Wash and dry the mushrooms, then remove their stems.
10. Arrange the stemmed mushrooms like little bowls within the oiled baking dish.
11. Scoop out 2 teaspoons of stuffing mixture onto the palm of your hand and form a tight ball.

12. Squeeze the stuffing ball into the mushroom.
13. Repeat #11 and #12 until all the mushrooms have been stuffed.
14. Bake for about 20 minutes and serve.

Roasted Chickpeas

These roasted chickpeas are crunchy, munchy and full of spicy flavors that may be habit forming. But that is quite alright because they are also good for you.

Ingredients:

4 Cans Chickpeas (a.k.a. Garbanzo Beans)
3 Teaspoons Cajun Seasoning
2 Teaspoon Garlic Powder

2 Teaspoon Onion Powder

1/2 Teaspoon Cayenne Pepper

You Will Also Need:

- 1 Can Canola Oil Spray
- 1 Strainer
- 1 Medium Size Shallow Casserole Dish
- 1 Roll Paper Towels
- 1 Small Size Mixing Bowl
- 1 Wooden Spoon
- 1 Airtight Container with Lid

Instructions:

1. Empty the two cans of chickpeas into a strainer and then rinse them thoroughly.
2. Shake the strainer vigorously to remove excess water and allow the chickpeas to dry off for a while.
3. Coat a shallow casserole dish with a thin layer of canola oil spray.
4. Pour the chickpeas from the strainer onto several layers of paper towels, cover with a few more paper towels and pat them dry.
5. Transfer the chickpeas to the oiled casserole and spread them out evenly in a single layer.
6. Combine all the seasoning ingredients in a small bowl and mix thoroughly.
7. Spray the chickpeas with canola oil and then sprinkle them with the seasoning mixture.
8. Move the casserole dish onto the lowest rack of your oven, set the temperature to 350 degrees Fahrenheit and bake for 15 minutes.
9. Using a wooden spoon, stir up the chickpeas within the casserole dish and continue baking for another 15 minutes.
10. Repeat #8 and #9 twice more or until the chickpeas become golden brown and crispy.

11. Remove the casserole dish and its contents from the oven.
12. Pour the chickpeas into an airtight container and close its lid.
13. Allow the chickpeas to cool before serving.

Buffalo Tofu Wings

Brimming with flavor, these buffalo tofu wings are crispy on the outside while being tender on the inside — an utterly irresistible culinary combination.

Ingredients:

3 12-Ounce Packages Extra Firm Tofu

1 1/3 Cups Cornstarch

1 Teaspoon Cayenne Pepper

1 Cup Canola Oil

Sauce Ingredients:

1 1/2 Cups Vegan Hot Sauce
3/4 Cups Vegan Butter

You Will Also Need:

- 1 Flat Working Surface
- 1 Pack Paper Towels
- 1 Sharp Knife
- 1 Large Plastic Bag
- 1 Medium Size Frying Pan
- 1 Metal Spatula
- 1 Small Saucepan
- 1 Wooden Spoon
- 1 Serving Platter

Instructions:

1. Store the tofu in the freezer overnight then thaw it out.
2. Drain all the water from the tofu.
3. Press the tofu by setting it on a double layer of paper towels, covering it with another double layer of paper towels and then weighing it down with a pot full of water for about an hour or two.
4. Being careful that the tofu doesn't crumble, use a sharp knife to cut it into rectangles measuring approximately 1" x 3" or cubes measuring 1" x 1".
5. Drop the cut tofu into a large plastic bag, add the cornstarch and cayenne pepper, and shake until the tofu bits are completely coated.
6. Pour the canola oil into a medium size frying pan and set over medium-high heat.
7. Add the coated tofu bits and fry.
8. Using a metal spatula flip the tofu bits over from side to side until they are slightly browned all over.

9. Remove the pan from the heat source and transfer the tofu bits onto a surface covered with paper towels.
10. Combine the vegan hot sauce and vegan butter in a small saucepan and set over medium heat.
11. Using a wooden spoon, stir continually until the butter melts, then remove from the heat source.
12. Arrange the fried tofu bits on a serving platter, sprinkle them with the hot sauce mixture and serve while still warm.

Raw Banana Chips

These raw banana chips are naturally delicious and healthful — what more can you expect from a quick and easy party recipe?

Ingredients:

6 Medium-Large Organic Bananas

2 Teaspoons Freshly Squeezed Lemon Juice

You Will Also Need:

- 1 Cutting Board
- 1 Sharp Cutting Knife
- 1 Dehydrator
- 1 Deep Serving Bowl

Instructions:

1. Choose bananas that are still firm and whose skins have not yet developed brown spots.
2. Using a sharp knife over a cutting board, peel the bananas and chop them lengthwise to rounded discs that are about a 1/4" in thickness.
3. To prevent them from browning, sprinkle freshly squeezed lemon juice over the chopped bananas.
4. Arrange the bananas on the shelves of a dehydrator.
5. Follow the direction provided by the manufacturer of your appliance.
6. Transfer the dehydrated banana chips onto a deep serving bowl and watch everyone dig in with gusto.
